READING MATTERS

A BIG WELCOME TO YEAR SEVEN!

A big, warm, bookish welcome to our new Year Sevens from everyone in the library.

We got off to a great start with all Year Seven pupils visiting the library on their first day and the books flying off the shelves!

The important thing now is to keep reading. Everyone is busy with constant demands on our time and attention, but what better way to spend a blustery autumnal evening than settling down with a magical book to be transported?

The library is open every break and lunch and after school on a Tuesday.

LIBRARY CLUB

Library Club runs every Tuesday after school until 4.15.

Whether you want to sit down with a book, create your own story, work on your latest illustration, play chess or a board game, all are welcome.

Come to the library after the last bell of the day.
