How to Apply for Instrumental or Singing Lessons

Parents and carers can apply for lessons taking place at **St Antony's Catholic College** through the Trafford Music Service website.

1. Visit the Trafford Music Service registration page.
2. Scroll down to **Find your course**.
3. Select **Venue**.
4. Open **Secondary (select your child's school)**.
5. Select **St Antony's Catholic College**. Please check that the school's name appears underneath the filters before continuing.
6. Find the instrument your child would like to learn. You can browse the list or use the **Search** box. Please choose the course ending in **Secondary**, for example:
    - Keyboard Secondary
    - Violin Secondary
    - Drum Kit Secondary
    - Vocal / Singing Secondary
7. Select **Show more** underneath the chosen instrument.
8. Check that the location is listed as **St Antony's Catholic College**.
9. Under **Select offering**, choose one of the available lesson options. The choices may vary depending on the instrument and could include individual or paired lessons.
10. Select **Add to Cart**.
11. Open the **Cart** at the top of the page, check that the instrument, lesson option and school are correct, and then select **Checkout basket**.
12. If you already have a Trafford Music Service account, select **Login**. If this is your first application, complete the **Create payer account** section using the parent or carer's details—not the child's details. You will need to:

- Enter your first name and surname.
- Select your date of birth.
- Enter your email address.
- Create and confirm a password.
- Read and accept the GDPR terms and conditions.
- Select **Create payer account**.

13. Follow the remaining instructions to enter your child's details and complete the application. Please check all information carefully before submitting it.

What happens next?

Your child will be added to the Trafford Music Service waiting list. A start date will depend on tutor availability, room availability and suitable lesson groupings. Trafford Music Service will contact you when a place becomes available, and lessons will then be charged monthly in advance.

If your child needs to borrow an instrument, please complete the separate **Instrument Hire** application shown at the top of the registration website. Instrument hire is only available for certain instruments.

If you are unsure which instrument or lesson option to choose, please contact Miss Quinn at **s.quinn@st-antonys.com**.
