WHAT IS AN OPEN EVENT?

A relaxed opportunity to explore the college, discover courses and decide what feels right for you and your future.

WHAT TO EXPECT?

Our welcome team will help you find your way around. You can explore the facilities, visit course areas and meet tutors, current students and support teams. Bring a parent, carer or someone else for support if you wish.

CAN I GET HELP WITH MY APPLICATION?

Yes. We can answer your questions and support you to apply online on the day.

QUESTIONS TO ASK...

- What will I study on the course?
- What are the entry requirements for the course?
