ST ANTONY'S SPORTS NEWS

It has been a fantastic start to the new term, with our football and netball clubs getting off to a flying start. Over 150 pupils attended sessions during the first week, which is a brilliant reflection of the enthusiasm and commitment to sport across the school.

It has also been great to see the return of our lunchtime activities, with badminton, netball and samba football now up and running so come along. These sessions provide even more opportunities for pupils to be active, develop their skills and enjoy taking part in sport with their friends.

A brilliant first week — and we look forward to seeing even more pupils getting involved throughout the term!

PE STUDENT OF THE WEEK
