# READING MATTERS

## MEET OUR NEW READING AMBASSADORS!

Our Reading Ambassadors help run the library, select new books, recommend books to fellow pupils and much more.

We have Reading Ambassadors in each year and collectively they promote the love of reading throughout our school. So if you don't know what to read next, are stuck in a reading rut or simply want a great recommendation, speak to any of our Reading Ambassadors and make sure to visit the library!

# HARRY POTTER BOOK DAY

Harry Potter Book Day was a big success in the library with quizzes, books (of course), and a showing of Harry Potter and the Philosopher's Stone. Lucky attendees munched on Chocolate Frogs, Fudge Flies and Jelly Slugs as the film played.

Remember... when in doubt, go to the library.

# BOOKFLIX

Bookflix is our reading reward scheme. Read books, write reviews and reap rewards. The rewards include badges, an engraved St Antony's pen, chocolate, and, when you complete the scheme, a paperback book of your choice! All the time you collect achievement points along the way. See Mr Williams in the library to take part.
