WORK SHEET ONE:

Sum up the Parable Use this space to sum up the story. Do this in a way that you will find useful for revision, e.g. a story board, an illustration, a poem or even simple bullet points. Using colour is good idea. As an extra challenge, can you do this is fewer than 30 words?

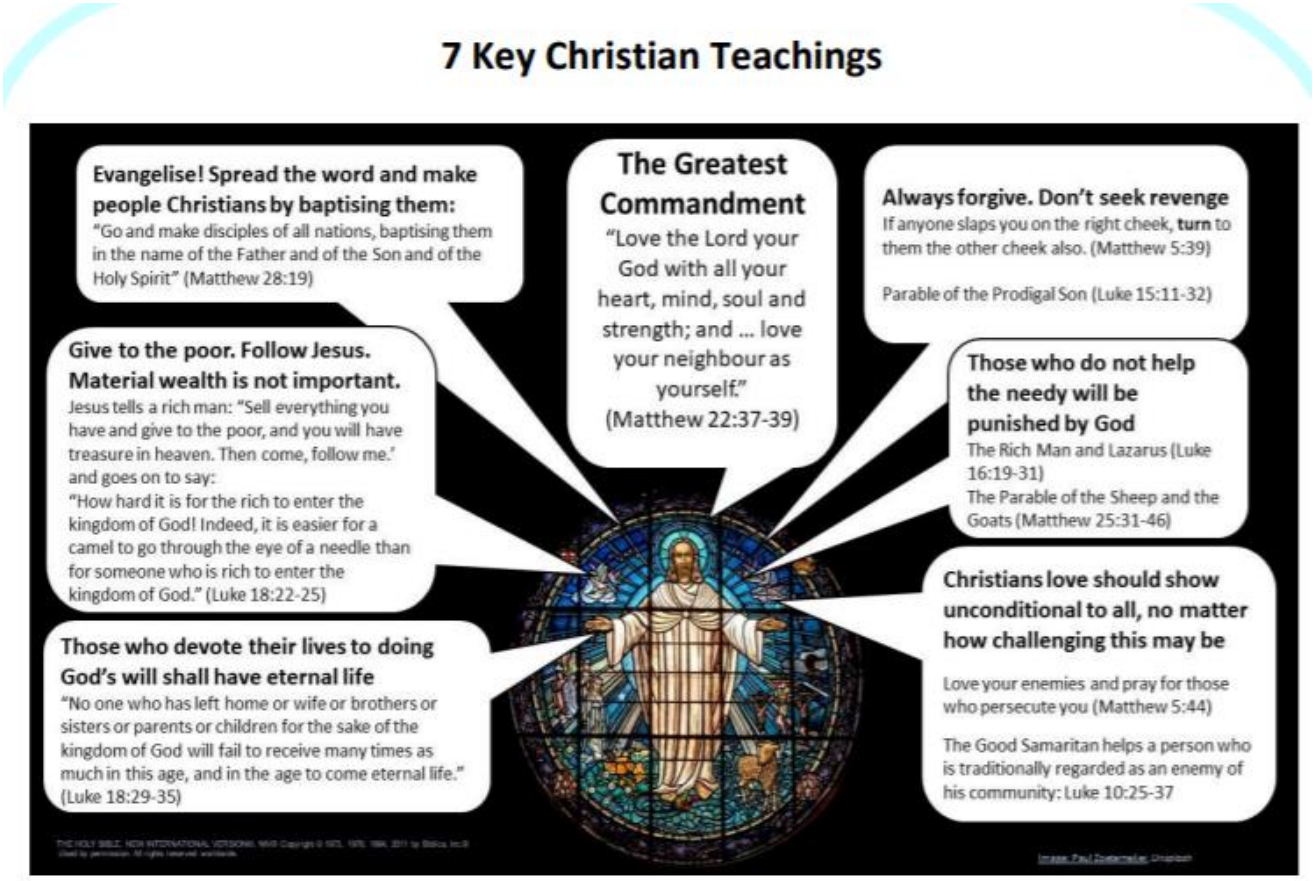
WORKSHEET TWO:

Evaluation Practice

Here are four statements that could come up as evaluation questions in your exam. In all of them, the Parable of the Sheep and the Goats could be used effectively as a reference to a source of wisdom and authority. Plan an approach to each of the evaluation questions. Think carefully about what other sources of wisdom and authority could use to develop your answer. Also, remember to make good use of key words to demonstrate your knowledge and understanding.

Discuss/Evaluate	
'Helping others is the most important part of being a good Christian.'	'Christians only need faith in God to be saved.'

WORK SHEET THREE



Research another 5 teachings from Jesus that encourages us to be good people. Write out where it is located in the Bible and say how it encourages us to act. Table on the next page.

Remember your Bible quote should in the format used above. (Chapter name, chapter number and verse number for example Matthew 25:31-46 is the parable of the sheep and the goats)
