Roman Catholic School

ASPIRE + BELIEVE + ACHIEVE

Our new Year 7s
love St Antony's
because...

I love my new school, St Antony's, because you can do Food Tech (my favourite), Chemistry, more Science, wellbeing walks and I've made 5 new friends.

Luke from Urmston Primary

I love Music and PE and Technology and my new friends Scott, Charlie, Josh, Luke, Isaac and Lucas.

Harley from Barton Clough

I am enjoying Art with Mr Reese and my new friends. I enjoy PE doing basketball and football.

Daram from Highfield

I've like making new friends. I also like Maths because I have the nicest teacher, Mr White, and I like PE because we get to play on a full sized football pitch.

Josh from St Monica's

I've enjoyed making new friends, Computing, the teachers are very nice and PE is very fun with football.

Maks from St Hugh's

The teachers are great.

Seb from St Matthew's

I have enjoyed my first 4 weeks because everyone is nice and I have made lots of new friends. All the teachers are helpful and now that I'm here it's not as scary as I'd thought.

Isaac from St Hugh's

Great selection of food.

Callum from St Monica's

I'm really enjoying my PE and Art lessons. I like how there are rules about bullying and other things.

Olivia from English Martyrs

I've settled in quicker than I thought I would. It was a good idea to have a 'settling in' first week and that helped. I've made quite a few new friends furthermore. I've really enjoyed Geography.

Max from Urmston Primary

Science is more exciting— things are explained in more detail

Lacey from St Monica's

The lessons are better and more fun!

Cain from St Ann's

I love St Antony's because every lesson the teachers are always there to help. I also love St Antony's because every person is really nice and friendly.

The lessons are more interactive.

Harvey from St Michael's

Baillie from St Hugh's

More to do at break and lunch.

Millie from Davy Hulme Primary

I like this school because all the teachers are kind and the school dinners are nice.

Jamie from St Hugh's

Computer Science is interesting.

Adam from Davy Hulme Primary

I love the food, making new friends, cooking and I enjoyed the wellbeing walk and picnic.

Charlie from Highfield

Music is great. We get to play keyboards and drums.

Gabby from St Matthew's

St Antony's is an amazing school because you meet so many new people and you get new friends so easily. My favourite lesson is Maths because I loved it at primary school and

I still love it now.

Joshua from St Monica's

You learn more interesting and challenging Maths.

Tyler from Acre Hall

I love St Antony's because of how nice the teachers are and how welcoming they are and I also love how I have made new friends and all the new subjects especially Food Tech and Maths.

Jamie from Urmston Primary

I feel great about St Antony's. I have made 7 new friends and I really enjoy Art, baking in Food Tech and Computer Science.

Zainab from St Hilda's

RE—I enjoy learning about other religions.

Kyle from Victoria Park

PE—we get to do lots of different activities
