ASPIRE + BELIEVE + ACHIEVE

Does the student need to take the reliever medication/Inhaler before exercise/PE?

Yes No

Does the student have any other medical conditions that has a bearing on their asthma?

Yes No

What is this condition?

Is there anything else we need to know to help the student manage their asthma in school?

We hold an emergency Salbutamol Inhaler in school for use in the unlikely event the student suffers an asthma attack at school and is unable to use their individual inhaler. If you would wish them to access this then we require a permission form to be completed, which we enclose. Could you please indicate that you have signed this form below?

Yes I have signed the emergency Salbutamol Inhaler permission form.

Should it be necessary to use the emergency inhaler we will inform you immediately.
