ASPIRE + BELIEVE + ACHIEVE

25th May 2022

Dear Parents/Carers of Year 11 students,

As you will be aware from our earlier text message, we took the decision this morning for the students to no longer be required to attend school for every lesson. This decision was influenced by a critical mass of parents and students informing us that, at this stage of their academic journey, they believed it would be more beneficial for them to take charge of, and responsibility for, their remaining exam preparation and revision.

Moving forward, the following is required of our Year 11s:

- Students are to attend every lesson that they still have an examination in. On Monday 6th June, this applies to almost all lessons so we expect the whole year group to attend that day.
- Students need to ensure that they are prepared for, and on time for, every examination. Please continue to encourage and supervise their revision.
- Students need to be in full uniform for all their examinations.
- Exemplary behaviour is expected moving forward. I reserve the right to refuse a student a place at Prom if their behaviour is a cause for concern.
- Students should now enter the school through the main entrance and sign in there.

I am confident that our students will continue to make themselves, you and the St Antony's community proud in these last few weeks. The teachers will, as always, continue to go above and beyond to ensure that students walk into each and every exam confident to show the examiners just what they know and can do.

Thank you for your continued support at this rather stressful time!

With kind regards,

Mrs Wright – Headteacher
