Y7-Y11 this week	<p>Launch of our revised Behaviour for Learning approach with clarity for students about the changes we have made to this and why we have made them.</p> <div data-bbox="715 667 1069 913" data-label="Image"> </div> <p>To sum up, there is a tightening up around punctuality to lessons, a more tiered behaviour approach to minimise time some students spend in isolation and you will hear directly from a teacher if a more serious sanction has been issued to your child.</p>
Y8 last week	<p>Stewardship and Respect as a focus. Students looked more at the <i>Laudato Si</i> (from the late Pope Francis) and the need to care for our Common Home – How can we protect Earth? Consider climate change for future generations? Change our own actions? Be a Good Steward?</p> <div data-bbox="708 1227 1072 1460" data-label="Image"> </div>
Y11 last week	<p>Revision – of course! Specifically, the effective use of e learning platforms, shared revision timetables and the importance of spending 2-3 hours each night revising. It'll be worth the effort in the summer - exam timetables for May/June are now out (and saved on the website). There's a rewards trip in the interim to the Trafford Centre next week.</p> <p>There are now just 5 school weeks to exam lift off!</p>

Other St Antony's Stories

All The GIFT (Growing in Faith Together) team have been leaders of 2 things this week, supporting our Catholic ethos of service in this period of Lent: The Big Lent Cake Sale on Thursday 23rd March – donations and purchases all welcomed, raising at least £100. And there's a sponsored walk from school to Riverbank Coffee on Saturday 25th March.
