St Antony's Stories – information about learning, activities, events at school which form part of **students' Personal Development** w/c 22nd May 2023

Who?	What's the story?
Assemblies	
Y7-Y11 this week	<p>Celebration and rewards assemblies for those living our mission - <i>'The light and splendour of Christ'</i> has been shining within so many students, it has been fantastic to reward them for this over the week.</p>  <p>The gospel reading this week (<i>"Father, the hour has come; glorify your Son so that the Son may glorify you"</i>) is also centred on celebration - the glorification and love of God and Christ for us. It's been really uplifting to see so many of our wonderful students being celebrated. We are very proud, as we are sure you are too as their families.</p> 
Y7-Y11 last week	<p>A reflection on our Communities and Being an Active Citizen – such as playing our part, being of service, standing in solidarity with others (#nobystanders), and caring for our common home. We know that being an active citizen will support our students in being the best version of themselves.</p>

Personal Development Lessons	
Y7-Y11	Careers
Y7	Job Families – qualities, successful careers and changes in the world of work
Y8	21 st Century Jobs – understanding entrepreneurs, what it takes to be successful, jobs in the NHS
Y9	Presenting Me – how do I present myself?, self-reflection, what are my targets?
Y10	Presenting Me – how do I present myself?, self-reflection, how do you present yourself to an employer?
Y11	Y11 have been in exams - we have them in our thoughts and prayers.
Other St Antony's Stories	
All year groups	<p>The Pope's World Communication Day message for 21st May has been shared - <i>Speaking the truth in love</i>. The Pope explains that it is the heart that helps us to have an open and effective way of communicating and connecting with others. Our school values of love and respect and integrity help us to speak with the heart.</p>  <p>School has welcomed 2 inspectors who have been in school over 2 days this week on behalf of the Catholic Schools Inspectorate. Many families replied to the survey to give views on Catholic Life and Mission at school – thank you. We'll update you once we have feedback.</p>  <p>In the meantime, a huge thank you and congratulations to the many, many students whose conduct has been amazing in lessons observed by the inspectors, who've crossed paths with the inspectors on corridors or in social time, and especially to those who were part of a pupil panel, meeting with the inspectors and talking about school life and mission. You have represented yourselves very well, lived our mission statement and been the best version of yourselves. Well done and thank you.</p>
