

June 2023

Dear Parents and Carers,

Please find overleaf, a copy of the Year 10 timetable for the end of year exams. This set of exams will hopefully provide you with a clear indication as to how your child has progressed so far this year and some specific areas for development as pupils move into Year 11. With this in mind, we specifically ask for your support in the following ways:

- Support with **attendance and punctuality**. It is essential that all pupils benefit from the experience of these exams. Therefore, we shall only authorise absence in exceptional circumstances.
- Support with **private study**. Please continue to encourage your son or daughter to undertake personal responsibility for their work. The number of hours spent on private study outside of the classroom is typically the deciding factor in the strength of grade achieved.
- Support with **routine**. As exam windows are tiring, we ask that pupils eat healthily and get plenty of rest during this period. This will help pupils to be at their best.

Finally, please can I thank you in advance for your support. This will help to make a significant difference in securing the best outcomes for the pupils.

Yours faithfully,

Paul Giblin - Deputy Headteacher
