Gospel	<p>Corpus Christi John 6: 51-58 <i>My flesh is real food and my blood is real drink.</i></p>
Y7- Y11 this week	<p>Happy St Antony's Feast Day! Once again, we attended Mass as a whole school (well, not Y11 who had an exam) for a very special celebration Mass – the Feast Day of St Antony on 13th June.</p>  <p>The day was also celebrated in forms, where students discussed our emerging school values – respect, love, service, resilience and integrity. Student Voice was used to plan what this should look like in and around school, as well as to determine Student Reps for the coming year. True democracy in action! And well done to those elected – your leadership will be very important.</p> 
Y7- Y11 last week	<p>Mr Shaw's assemblies addressed all year groups and the need to be respectful around our learning – for ourselves, our peers and the adults in the classroom – and around school generally. We want our students to be the best version of themselves, in their lessons learning and growing into respectful and responsible adults. We thank you for your support of our work on this as we work with you to develop your child.</p>

Other St Antony's Stories

Personal Development is central to our work as educators, in partnership with yourselves as families. Like you, we want our students to be the best version of themselves, or as our mission statement says *Let the Light and Splendour of Christ Shine from Within Us All*. We do offer an invite to all parents to attend the Parent/Carer Forum with Mr Campbell, but to ensure that we are as up to date as possible with parent voice broadly, if you could find time to complete this survey, we would be grateful. It helps with our planning, not just for Personal Development areas of school but for school more widely and your view is important to us. You'll require registration or login via email. The draft Section 48 report arrived in school this week – this will be shared once it moves to a final version. But there is so much positive commentary in it about the service of our young leaders in school – the Eco Group, the GIFT team etc – that we are very proud of them.

In our planning for next year, we are keen to extend the offer of opportunity to get involved in school life. You child will soon be surveyed about this and we'd be keen to hear from you if you think there's an activity or opportunity we should look into further. Please respond to this 1 minute survey:
