<b>Assemblies</b>	
<b>Y7-Y11 this week</b>	<p><b>Sacrifice and Service</b> – being in service to others can help us to be the best version of ourselves. We move from dependency on others to opportunities to give to and support others, in service. This, in turn, helps us to develop – our character, our skills, our way of loving others. Both our school values and British Values man that we should love and respect others. How does your child participate in the service of others?</p> 
<b>Y7-Y11 last week</b>	<p>Mr Campbell led this week's assembly, reminding students of our mission statement <b><i>Let the Light and Splendour of Christ Shine from within us all</i></b> – in other words, for all of us to be the best version of themselves.</p>

	Students were also reminded of why we have the rewards and sanctions we do in school – so that all students get a chance to thrive, be safe, and progress well. And because we love them all, as children of God, therefore we want to help them be the best version of themselves.

Our students were indeed the best version of themselves, as they took responsibility for groups of students, aided the staff in so many different ways and took initiative where it was needed. Well done – we are proud of you and are sure your families are too!</p>
