

**Residential trip to PGL Winmarleigh Hall ,  
Winmarleigh, Preston PR3 0LA**

Dear Parents or Carers

I am happy to inform you that we are arranging a much deserved residential trip for the year 10s. We have a booking at **PGL Winmarleigh Hall** for Monday 18<sup>th</sup> to Wednesday 20<sup>th</sup> of March 2024. The centre is specifically designed to cater for large numbers of students. The course we have booked offers many activities, including zip lines; archery; jacob's ladder; raft building and many others. The centre employs fully-trained staff for each activity and risk assessments for each activity are available from school. They can also be accessed on the website <https://schoolsandgroups.pgl.co.uk/centres/winmarleigh-hall/>. More details with further information on transport and timings of the day will be given nearer the time.

The cost of the trip will be **£175**. This includes transport, accommodation, activities, and all meals. I am sure you will agree that this represents exceptional value. We have kept the price low because we would like the whole year group to join us in this venture. The aim of this trip will focus on team building, friendships and to create fun memories. I feel the benefits will be felt throughout the rest of their time at St Antony's.

Please complete the slip below to ensure your child has a place by Friday 8<sup>th</sup> of December 2023. I will then set up Parent pay where a £30 deposit is required to secure their place by the end of this term (20/12/2023). Please contact me if there is an issue with paying the deposit by this date. **I regret that I cannot accept any applications after this date, as I will have to confirm numbers to the accommodation to organise rooming.**

I should stress that, due to the exceptional value of the visit, no monies can be refunded in the event of you cancelling your child's place on the visit. I should also point out that once the places have been booked, the school will be required to pay the full cost of the weekend, so cancellation by yourselves will have a severe impact on a fund, which can be used for other purposes and to the benefit of other students in the school.

To ensure this is a positive experience for all, understandably, we will have high expectations of behavior in the lead up to this trip. I do hope your child will be able to join us. I feel it to be a most worthwhile venture, which will remain with him/her for a long time to come.

Yours sincerely
