

17th November 2023

Dear Parent/Carer,

On Thursday 23rd November 2023, the Emmaus Trust has organised for us to have a team on site so that there can be updated footage to be used on the website and for other media opportunities in the near future. This includes footage of students in learning and wider-curriculum activities.

The planned lessons and activities to be visited are:

Time	Activity
8.45am	Y10 Assembly
9.15am	Computer Science – 9FC/CS CR4, Mr Grant
10.15am	PE – 08T/PC1 Hall, Mr Brownbill
11.30am	RE – 10S/RE1 R15, Mr Giblin
12.30pm	Maths – 9Y3/MA R9, Mr Katsouris
1.30pm	Lunchtime activities – Badminton in the Hall and Choir in the Music Room
2.15pm	Science – 07FW/SC Lab 2, Mr Uglow
3.00pm	Students leaving school – 07FW/Sc, Mr Uglow's class

There may be some changes required to this.

We already know about permissions, or otherwise, for your child to be used in photographs/videos which relate to school social media, website etc. as you will have indicated this on your child's data sheet, which is updated each time there is a parent/carer evening. If there have been **any changes to this**, and you do not wish your child to be on any footage which may later be used, then please inform us by telephoning or emailing before school closes on Tuesday 21st November 2023, so that planning can be put in place if it is needed.

We know that those who do feature in any material used will do the school, you as family and themselves proud by looking immaculate on Thursday and by being the best version of themselves during the day.

Kind regards,

Mrs Harris
