Calling all parents, carers, family members and the wider community of St Antony's!

WE NEED YOUR HELP!

At St Antony's, we are passionate about ensuring our children gain the best possible education. We are also committed to every **child feeling represented and reflected** in the curriculum we teach and importantly, the books we share. Ensuring pupils have access to new and rich literature is a costly task. So, the staff have put together a dream wish list of the most amazing books for their subjects which reflect and showcase the curriculum and school we are.

We are asked by parents, carers, grandparents and friends of the school as to how you can support the school. We have therefore set up an Amazon wish list. If you would like, and are able, to support the school and our children, please sponsor one of the books on our Amazon wishlist. This will arrive at school a few days later and be added to the library.

Thank you from the bottom of our book-loving hearts! Within each book we receive, there will be a sticker with the name of the person who has kindly gifted it.
