DAY**

7 MARCH 2024

Do you read so much you find yourself running out of books? Time to get some new ones with our book swap!

Simply drop off up to 5 unwanted books with Mr Williams in the library between Monday 04th - Wednesday 06 March and he will take down your name and how many you gave in. During lunch on World Book Day, 07 March, you can then come and choose as many new books as you dropped off from the selection left by other students!
