STUDENT EPILEPSY INFORMATION

Name	Date of birth	Form
------	---------------	------

Will the student need to take anti convulsive medication during the school day?

Yes No

Do they keep the medication with them at school?

Yes No

Is there any emergency medication that may need to be taken if the student has a seizure at school?

Yes No

What is this medication called?

A separate permission form will be required for holding, dispensing or administering any medication in school. It is the parent's responsibility to ensure all medication is in date. Medication must be clearly labelled and in the original container with the dose, instructions and expiry dates clearly stated.
