Attendance & Punctuality Policy

Aims

St Antony's Roman Catholic School aims to ensure that all students take full advantage of the educational opportunities available to them and thereby reach their full potential. We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting and maintaining a high profile for good attendance and punctuality across the school
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- To keep an accurate and up to date record of attendance and punctuality data
- To inform and involve parents/carers in attendance and punctuality procedures and issues
- To identify the causes of non-attendance and take appropriate action
- To ensure all stakeholders take full responsibility for improving attendance and punctuality

Students should be aiming for full attendance at school. In a school year this amounts to 190 (school) days. We adopt a partnership approach to attendance by working closely with students, parents/carers, the Local Authority and other relevant services to secure this aim.

We will also promote and support punctuality in attending all lessons.

Legislation and guidance

Under section 444 of the 1996 Education Act, all students are required to attend the school where they are registered every day. The law also states that it is only the school which can authorise absence, and is not obliged to do so, even where parents have provided an explanation. The official school leaving date is the last Friday in June in the school year in which a student becomes 16. This policy meets the requirements of the working together to improve school attendance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures.

These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

Part 6 of The Education Act 1996

Part 3 of The Education Act 2002

Part 7 of The Education and Inspections Act 2006

The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)

The Education (Penalty Notices) (England) (Amendment) Regulations 2013

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold

Roles and responsibilities

Pupils

Every child of compulsory school age is entitled to receive full-time education that is suitable to their individual age, ability and aptitude and any special educational needs they may have.

Pupils are expected to:

- Attend school every day unless they are too ill or have an absence approved in advance

- Attend every timetabled session on time

- Inform their form tutor of any known absence in advance
- Provide an appointment card or explanatory note for medical appointments
- Sign in and out at the main office when leaving or returning to school during the school day

Parents/carers

Parents/carers are responsible in law for ensuring the regular and punctual attendance of their children. Parents should familiarise themselves with this attendance policy and should work closely with school staff to overcome any problems which may affect a child's attendance. Parents/carers can be prosecuted and, or fined, up to £2,500 if they fail to ensure that their child attends school regularly.

Parents/carers are expected to:

- Ensure their child leaves for school on time fully equipped and in full school uniform

- Mark whether every pupil is present, attending an approved off-site educational activity, absent or unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

School will:

- Record [For pupils of compulsory school age] Whether the absence is authorised or not
- Record the nature of the activity if a pupil is attending an approved educational activity
- Record the nature of circumstances where a pupil is unable to attend due to exceptional circumstances
- Keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by **8.45am** each school day. The register for the first session will be taken by **8.50am** and register for the second session will be taken at **2.20pm**.

Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.00am or as soon as practically possible by calling the absence line on 0161 911 8025 or emailing absence@st-antonys.com

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provide evidence of the appointment. Requests should be made via email to absence@st-antonys.com However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

Lateness and punctuality

All students must arrive on time and be ready for learning with the correct uniform and equipment. St Antony's Roman Catholic School is open from 8.00am for Breakfast Club in the school canteen where a range of breakfast options can be purchased. **All students must be on site by 8:45am**. Any student arriving to school after **8.50am** is late. Students who arrive late to school without a valid reason are issued with a same day 30-minute lunch time detention. Text messages are sent out informing parents/carers if their child is late. Poor punctuality can also have legal implications for parents/carers. Students who arrive after **9.15am** without a valid reason will be marked as unauthorised late (10 sessions of unauthorised late can result in a Penalty Notice being issued by Trafford Local Authority). When a student has arrived to school late on 5 occasions not counting incidents of instances beyond reasonable control, a letter will be sent home reminding parents / carers of their responsibility to see their child arrives to school on time and informing them school will be monitoring their child's punctuality closely. Further instances of poor punctuality could result in the school requesting a penalty notice being issued. Any student who is not present during AM registration will receive follow up contact from school should a parent/ carer not inform school to confirm their absence.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Send a text message to parents/carers to inform them that their child has not arrived to school
- If no contact has been made after the text message school will call the pupil's parent/carer to ascertain the reason for non-attendance to school
- If no contact is made all emergency numbers will be called
- School will identify whether the absence is approved or not
- School will identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- If after calling all emergency contacts no contact is made a further text message explaining an unauthorised absence will be given for the day
- If no contact is made by day 2 of unexplained absence a home visit will be made to ensure appropriate safeguarding action is taken

Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. Any request should be submitted in writing as soon as it is anticipated and, where possible, at least two weeks before the absence. The headteacher may require evidence to support any request for leave of absence.

Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the Local Authority's code of conduct for issuing penalty notices. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Issuing Penalty Notices

In February 2024, the Department for Education published Working together to improve School Attendance. Within this document, in chapter 6, it lays out the changes to issuing penalty notices. New two penalty notice limit in a three-year period. The three-year rolling period starts for parents when the first penalty notice is issued to them after the 19th August 2024. The first Penalty Notices for leave in term time will increase to £160 per parent per child but can be reduced to £80 per parent per child if paid within 21 days. If a second penalty notice is issued within three years of the first penalty notice, then this will be at a fixed rate of £160 per parent per child, with no reduction for early payment. A third penalty notice cannot be issued within the three-year period; therefore, the county council will deal with any further unauthorised leave through prosecution in the Magistrates Court. If the parent is found guilty, the potential fine is up to £1000.

National threshold for issuing penalty notices.

The national threshold for issuing penalty notices has been set at 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. However, if in an individual case the local authority believes a penalty notice would be appropriate, they retain the discretion to issue one before the threshold is met. For example - where parents are deliberately avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for birthdays or other family events. When a school becomes aware that the threshold has been met, they are expected in every case to consider whether to request the county council issue a penalty notice.

Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.
- Collect pupil-level absence data each term and
- Published data at national and local authority level through the DfE's school absence national statistics releases
- Publish school-level absence data alongside the national statistics
- Compare attendance data to the national average, and share this with the governing board

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that require additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these

patterns making stakeholders aware

Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers, form tutors, head of years, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- The EWO will initiate/ escalate intervention procedures in consultation with Head of Years and SLT to support improvement of attendance

A Penalty Notice can be issued after 10 sessions of unauthorised absence and/or unauthorised late Parents/carers have both a moral and legal responsibility to ensure that their children attend school regularly and on time. Failure to do this may result in parents/carers being prosecuted under section 444(1) of the Education Act 1996.

Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels via their reports.

Rewards

The school will:

- promote good attendance and punctuality in a range of ways which include commendations, letters home, texts, reward trips, prizes and achievement points

- 100% Attendance is celebrated every term with badges
- Achievement points are given for students with 100% attendance and punctuality
- Forms achieving 100% in any week will be given a reward
- Pupils with 100% punctuality in a prize draw for a voucher each term
- Pupils with 100% Attendance at the end of the year will receive a reward
- Attendance will be taken into account for Reward Trips and Prom

Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum 12 months by Emma Doherty, Attendance lead. At every review, the policy will be approved by the full governing board.

Children Missing from Education

A child going missing from education is a potential indicator of abuse or neglect, and such children are at risk of being victims of harm, exploitation or radicalisation. There are many circumstances where a child may become missing from education, but some children are particularly at risk.

These include children who:

- Are at risk of harm or neglect
- Come from Gypsy, Roma, or Traveller families
- Come from the families of service personnel
- Go missing or run away from home or care
- Are supervised by the youth justice system
- Cease to attend a school
- Come from new migrant families

We follow Trafford's procedures for unauthorised absence and for dealing with children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future. This includes informing the local authority if a child leaves the school without a new school being named, and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.

Children missing from education can be reported to the official Trafford CME team by:

We hope that you find the information here useful in helping you to understand why school attendance and punctuality are so important for your child and thank you for your continued support. Supporting your child, by encouraging full attendance at school, will help give them the best possible start in life. We know that poor attendance only affects a very small percentage of St Antony's Roman Catholic School students and as a team we continue to do all we can to ensure full attendance at school.
