

Careermag

Careermag is for students, parents, schools, colleges and career advisers. The magazine connects students and their parents with high-quality advice and information about all the careers and qualification routes available.

Did you know that nearly a quarter of parents don't feel comfortable giving their children advice on what to do after they finish school? *Careermag* for Parents aims to change that! We want parents to understand all the opportunities available so they can best support their child.

Careermag for parents includes features such as:

- Top tips for parents
- Parenting in the Digital Age
- Gender and social stereotyping
- Myth busting careers
- Apprenticeship opportunities
- Navigating UCAS

Careermag for school leavers includes features such as:

- Results Day Support
- What work experience do you need?
- How to choose a bank account as a student
- Payroll
- How to plan a Gap Year
- Career Guides
