Re: Spanish Link – host family

Dear Parent/Carer,

Please see this request from *Student Link*, who facilitate exchanges between Spain and England:

Student Links are looking for caring host families to accommodate a student and make a new Spanish friend! This is available to all students whether they are learning Spanish or French as we feel this is an interesting opportunity to make a Spanish friend. Who knows, your child might end up learning or using Spanish in the future, even if they do not learn it now.

A group of ***polite and enthusiastic Spanish students*** are coming to our area this summer and need host families. Each Spanish student will be selected and paired up to a “buddy” at school considering their age, gender and hobbies so that friendship arises easily for a ***life changing experience***.

DATES - from Friday 20th June 2025 to Monday 14th July 2025

ALLOWANCE: £900 for the family.

The idea is that each pupil who wants to take part will mentor his/her selected “buddy” at St. Antony's for three weeks and be their hosts at home.

SPARE ROOM NOT ESSENTIAL, but if sharing it must be with their "British buddy".

REWARD TRIP FOR “HOSTS AND MENTORS”: when hosting the same student for a second year, which is usually the case, your child will have the chance to travel to Spain for the 3rd week in July at the low price of £600 -taken off the allowance of £900- all included: flights in and out (20Kg suitcase), Insurance and Student Links' 24h Assistance, for a great summer holiday week at their new Spanish “amigo's” or alternatively at EVES Sailing and Water Sports Summer Camp

For **INFO & APPLICATIONS** go to www.studentlinks.es, Google <https://youtu.be/gC8sO-BXhKE> to see their video or send a WhatsApp message to **Coordinator Ana Martín on 00 34 607 710 241**.

Please liaise directly with Ana at Student Links, if you are interested as this is entirely led and managed by them, not St Antony's.

Kind Regards

Mrs M. Stevens
