

January 2025

Dear Applicant,

Thank you for your interest in the post of Curriculum Leader of Maths at St Antony's Roman Catholic School.

We are seeking to appoint a passionate Maths expert who can teach to a consistently high standard at both Key Stage 3 and 4 in order to support pupils to achieve excellent outcomes, and can lead others to do so too.

The role is a permanent appointment commencing after Easter (start date is Monday 21st April 2025) and I have provided below further details which I hope will provide you with ample information about the post.

The School

St Antony's Roman Catholic School is at an exciting stage of its development under relatively new leadership. We are proud to serve our local community and firmly believe that St Antony's is a great place to work. Our vision is driven by our Catholic faith and values, ensuring that we encourage children to be the best version of themselves, while enhancing pupils' lives and experiences through a carefully-planned and knowledge-rich curriculum. Our drive and passion underpin our aim to empower confident young people and leaders of the future.

St Antony's is warm and friendly and staff are very supportive of each other. Since 2017, pupil numbers have grown considerably from 450 to a capacity figure of just over 700 this year. We are over-subscribed and are increasingly the preferred choice for many families in our area. Improvements have been made in all areas over the last few years and we are excited to bring more new teachers and leaders into this next stage of our rapid development. Please see our website for details of the school and visit our Facebook and Instagram pages for the most up-to-date news and information.

The Department

The Maths Department at St Antony's Roman Catholic School is driven by a team of six dedicated teachers, with a shared vision of helping our children to learn and love mathematics so they can fulfil their potential and contribute positively to society. We know that this subject in particular is one that underpins all aspects of success in life and we work

very hard to ensure that our children experience a curriculum that is well thought out, challenging and research-driven so our wonderful young people are fully prepared for their future roles in society. The maths teams work creatively and collaboratively, and aim to achieve the highest standards for all our students, with a recently refreshed curriculum plan based upon the White Rose maths programme.

Application process

I hope that the information that has been provided here, and on our website has hooked your interest and I look forward to hearing from you. Should you wish to meet with me prior to applying I should be delighted to do so. Please contact school via email on head@st-antonys.com to arrange a mutually convenient time.

Should you decide to apply for the post all of the relevant documents are on our website (www.st-antonys.com). Please refer firstly to the '**Guidance Notes for Teaching Staff Applicants**'. Complete the application form, together with a letter of application outlining your vision for the teaching and leadership of Maths at St Antony's Roman Catholic School, your relevant experience and your understanding of current, relevant educational developments. Your letter should not exceed 2 pages of A4 in length and should focus on the clear impact of your work to date. Please note that we do not accept Curriculum Vitae.

The closing date is **Monday 27th January 2025 at 12pm**. If you have not heard from us within 2 weeks of the closing date, please assume that your application has been unsuccessful on this occasion. We are unable to provide feedback on unsuccessful applications.

I look forward to receiving and reading your application.

Yours faithfully,

Anthony Campbell - Headteacher
