## SUPPORT FOR FAMILIES IN TRAFFORD

Earlier this term we were very lucky to be joined by Sarah Bradley from Trafford's Local Offer at our SEND Coffee Morning. Sarah spoke to our parents and carers about support for families along with activities for young people available locally.

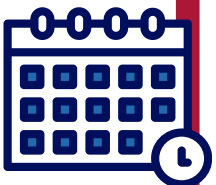

If you visit the 'Things to do' section of the local offer page on Trafford's website, you can easily filter the offer by day, age group and needs. This extensive list of activities include some that are free of charge. It is definitely worth looking at, especially for planning out activities over the Easter break.

## KEYWORKERS

If your child is on our SEND register they have been assigned a keyworker. This is a person your child can seek if they need any advice or support. The keyworker is also in place to support parents and carers with any queries that they may have.

Families were informed of allocated keyworkers earlier this year but if you are unsure who your child's keyworker is, or their contact details, please email our SEND department via email at this address as we can respond with the information.:
