### PTA Update

Dear parent/carer,

Thank you to all who have supported the PTA so far during this academic year, we really appreciate the continued help and support from Parents and students.

The PTA have some fundraising opportunities coming up which they would like to share with you.

#### **End of term fun activities:**

As usual on the run up to Christmas, the PTA will be organising a Christmas Hamper Raffle for students, therefore we would kindly request your help in donating some chocolate, however small this may be, to help fill one of the many hampers that will be up for grabs. All donations to Mrs Rothwell asap.

#### **The 'BIG Sing' Christmas Carol Concert:**

As part of the 'Big Sing' Christmas Carol Concert, being held on Tuesday 2<sup>nd</sup> December, the PTA will be hosting a stall where they will be raffling off lots of prizes and would kindly ask for your donations. Anything from toiletries, gift sets, hats, scarves, electrical items, games, jewellery, sweets etc will be most welcome. These can be dropped off by 21<sup>st</sup> November at school for the attention of Mrs Rothwell.

#### **Pre-loved Uniform**

The pre-loved uniform has been extremely successful, and stock is now running extremely low. Therefore, if any families have any used uniform items that can be repurposed, the PTA will gladly welcome your donations. ### **Funds Raised so Far**

All monies raised is spent to benefit the pupils at the school, and student input is extremely valuable in deciding on how these monies are spent. The school has recently purchased some new outdoor seating for the pupils to enjoy and the PTA have contributed £3800 towards these.

Funds are now being raised to help purchase boardgames and football nets for the students to use during their free time. We would encourage you to please get involved in helping the PTA to achieve this by sending in any donations or helping out at any of the fundraising events.

## Q&As

### What do PTAs do?

A PTA is a Parent Teacher Association, an organisation with a mission to make the school a better place for children to learn. St Antony's PTA brings together parents, teachers and children to raise funds and strengthen the school community. Money raised is usually spent on things that the school budget does not cover.

### Why should I join one?

There are many reasons why you should join your PTA. From making new friends and getting to know the school environment, through to helping raise much needed funds and making a difference to the children and school community. All of these things help you grow in confidence as a parent and it feels good to know you are making a difference for your children and for generations to come.

### What will be expected of me?

There is no expectation on any parent volunteer, any amount of time you can give to the PTA will always be well received. There are a variety of ways you can get involved, from engaging with social media activity, attending PTA Meetings through to volunteering at events or coordinating events. Even donating preloved items, raffle prizes or suggesting brilliant ideas are ways of getting involved. There seems to be a myth that if you get involved with your PTA you will never be able to escape! We make it clear that parents can come to our meetings to just listen and learn, or they can take a more active role if they want to, there are no set expectations.

### How do I join my children's school's PTA?

You automatically become a member of the PTA simply by being a parent at the school. If you would like to take a more active role and find out more about PTA volunteering opportunities then attend a PTA meeting. This is a great first step. It is always a good idea to attend a few meetings to get to know the PTA and then when you are more confident you can start to take a more active role if you wish. You could always take a friend or two along and take on some tasks together.

### Why is it important for a school to have a PTA?

A good PTA can help strengthen the child, parent, school community and can become a huge marketing tool for the school, a way of strengthening their reputation and increasing family engagement. The PTA can help communicate with families more effectively, enhance fundraising efforts and qualify for grants and awards to support the school. All of this activity helps enhance a school's reputation within the community. The PTA is often referred to as the heart of the school community and in our case it really is.
