

St. Antony's Catholic College

Aspire - Believe - Achieve

KS3 Art & Technology

Instructions for the week beginning Monday 18th May 2020

St. Antony's Catholic College

Aspire - Believe - Achieve

Technology
& Art

Many people have turned to creativity to help them during these difficult times. Show us your creations!

One winner per year group!

**MAKE
BAKE
CREATE**

Submit entries on SMHW or email: s.reese@st-antony.com

Many people have turned to their creativity to help during these difficult times. We have had to think creatively and resourcefully, but this has highlighted so much talent.

This week you are challenged to enter our "Make Bake Create" challenge. Send us clear photos of what you have been doing this week, (or in the last few weeks). Examples of entries could be:

- Baking - have you been baking showstoppers?
- Making - have you been using your practical skills to make things at home, or maybe as gifts?
- Have you been enjoying drawing and painting?
- Perhaps you have been getting green-fingered in the garden?
- Have you been developing your cooking skills making delicious meals or snacks in the kitchen?
- Or maybe you have been enjoying photography?
