To find out why sending postcards are important.

Do

Think about what you have been enjoying doing at home e.g. walks in the park, listening to music, walking your dog, helping parents with jobs around the house etc.

Create a post card about one of these activities to send to a friend or family member who you are not able to see at the moment. Look at the work of Anne Menary to give you inspiration.

You can do this by sketching, however some form of collage would probably look the best if you have equipment available to do it. You could cut and stick pieces of magazines, fabrics or even recycle materials such as cardboard and crisp packets!

Fantastic Friday – Please email Mrs Wright (f.wright@st-antonys.com) by 12pm on a Friday if you'd like to share some of your best work of the week with her. She'd love to see it!
