

St. Antony's Catholic College

Aspire - Believe - Achieve

Year 8 Geography Energy and the Environment Z1/Z2

Instructions for the week beginning Tuesday 14th April 2020

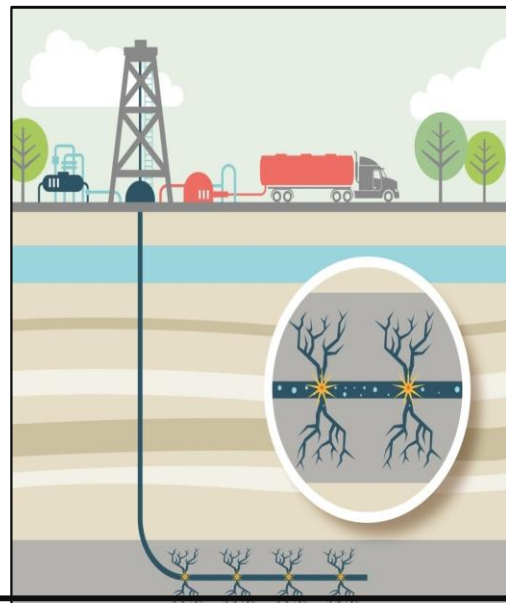

Watch this clip on Fracking <https://www.youtube.com/watch?v=Uti2niW2BRA>

Read <https://www.bbc.co.uk/bitesize/guides/z3pppv4/revision/4>

Do

Fracking

Fracking uses high-pressure water to shatter shale rocks and release natural gas lurking within. The gas is then piped to the surface.

1. Draw a picture of a fracking site. You will find images on google.
2. Write down the process of what happens in fracking. Use this video to help.

Stretch and challenge for Zone 3/4

1. Should fracking be allowed in the UK? Write a response showing you have thought of more than one point of view

Fantastic Friday – Please email Mrs Wright (f.wright@st-antons.com) by 12pm on a Friday if you'd like to share some of your best work of the week with her. She'd love to see it!
