**people to live out their vocation for the common good.**

**Catholic Social Teaching reflects on social issues of the day in the light of scripture. It is a collection of writings by popes, bishops and Church Fathers (saints and teachers of the Early Church). It helps**

Whatever is needed for each and every person, and creation, to flourish.

**Common Good**

To choose to consider the needs of the poorest and most vulnerable people first.

**Option for the Poor**

Not just doing things for other people but acting with them to build a more just world together.

**Solidarity**

Every human being has in-built dignity because she or he has been created in the image and likeness of God.

**Human Dignity**

<i>What do I think this means?</i>	<i>Which CST principles does it link with?</i>
<i>What questions could I ask about this quote?</i>	<i>What is my reaction to this quote? Why?</i>
<i>What might Jesus say about this quote?</i>	<i>How might other people react to this quote? Why?</i>

As far as possible, decisions should not be taken at the highest levels, but by the people who are most affected.

**Subsidiarity**

We are called to care for creation as stewards, not just as consumers.

**Stewardship of Creation**

When one person has a right, others have a responsibility to uphold that right.

**Rights and Responsibilities**

People have a right and a duty to take part in shaping a more just and human society.

**Participation**

# WORK SHEET TWO: Investigating Catholic charities

- 2) Visit the website for each charity
- 3) Record your findings on worksheet three.
