# WORKSHEET THREE: Conscience and the Catholic Church

Read the following information and answer the questions

## CCC definition of Conscience

“Deep within his heart, man discovers a law written by God ...it calls him to love and to do what is good and avoid what is evil”.

## Conscience has two parts to it:

### Part 1

The part that recognises what is the right thing to do. A kind of inner compass, pointing us towards what is good.

### Part 2

The part that motivates us to actually do the right thing. It gives us a sense of moral duty, and guilt, if we don't do it.

This law of God within us needs to be sharpened though – we need to “inform our conscience” by paying attention to the teachings of the Bible, good role models and honest self-criticism. We can deaden our conscience, and lose our sense of right and wrong, if we persistently ignore it or go against it.

1. Write out the CCC definition of conscience.
2. Explain the two parts of conscience
3. Describe happens if one of the parts of your conscience isn't working?

Extension What does “informing your conscience” mean, and how can you do it?

# WORKSHEET FOUR: Conscience and guidance in the Bible

In addition to using their conscience a Christian will often turn to the Bible to help guide them further. Using your own Bible or [biblegateway.com](http://biblegateway.com) research these teachings and complete the table below.

Moral Decision	Bible Ref.	Answer	Why?
Should I be racist?	Acts 10:34		
Should I lie to my parents?	Exodus 20:12		
Should I be a vegetarian?	Leviticus 11:1-47
