## Aspire - Believe - Achieve

### Year 8 Science

*Instructions for the week beginning Monday 1<sup>st</sup> June 2020*

Mr Uglow is the **Science** contact point for all Year 8 pupils.

Please send any work to the email address below and not to Show My Homework

[p.uglow@st-antony.com](mailto:p.uglow@st-antony.com)

#### Read

<https://www.bbc.co.uk/bitesize/topics/znyycdm/articles/z4f26yc>

<https://www.bbc.co.uk/bitesize/guides/z83qfcw/revision/1> (More challenging)

<https://www.bbc.co.uk/bitesize/guides/z99jq6f/revision/1>

#### All

You have been provided with a textbook. You must return the textbook to school when you have finished with it.

**I would like you all to have finished Heat Transfers (Textbook pages 119-132) by the end of this week (I know that lots of you have already).**

Please study the Heat Transfers (Textbook pages 119-132) chapter from the textbook and the revision sheets posted on Show My Homework. Read the pages carefully and answer the questions/take notes/draw diagrams. Feel free to photograph your work and email it to me – I will enjoy reading it.

Please email me when you are ready and I will send you the Heat Transfers end of unit test. You can complete the test using your textbook and any notes for assistance.

When the test is complete I will then send you the answers so you can mark your own work and see which areas you need to improve upon.

**Do not worry, I am not collecting the scores in!**

#### Some

I know that some wonderful pupils have already completed the Heat Transfers topic. I would like you to move onto study Explaining the Earth: textbook pages 105-118. Again, I have posted some revision sheets on Show My Homework. Let me know when you are ready and I will send you the unit test.

**Do not worry if you find the work too hard. Just do what you can and email Mr Uglow if you have any questions at all.**

Have a nice week. Take care and stay safe,

**Mr Uglow [p.uglow@st-antony.com](mailto:p.uglow@st-antony.com)**

**Fantastic Friday** – Please email Mrs Wright ([f.wright@st-antony.com](mailto:f.wright@st-antony.com)) by 12pm on a Friday if you'd like to share some of your best work of the week with her. She'd love to see it!
