

Year 7 Science Work

Once your work is completed you do not need to submit it. You can mark it in green when the answers are published and keep it neatly and safely until you return to school.

If you wish to submit a good piece of work, after you have marked it yourself, please do so using the SUBMIT button on ShowMyHomework.

See https://help.teamsatchel.com/en/articles/2912000-submitting-my-work-online for instructions on how to do this. If you've any issues with your work please comment on Showmyhomework and we will respond to you.

If you don't have the textbook, I have attached images of these pages in this document.
