Year 9 Science

Instructions for the week beginning Monday 6th July 2020

The Periodic Table

Try your best to complete as much of the work as possible. These are revision tasks of work you have already covered.

Task for Everyone

Complete the multiple choice task called 'The Periodic Table' on SMHW.

Option A

Log onto Pearson Active Learn and follow the instructions to complete the tasks.

OR

Option B

Read pages 93-95 in the Blue Revision guide. Complete the questions at the bottom of the page. Answers can be found at the back of the guide – no peeking! Complete the worksheets attached to SMHW (it is a Word document so you should be able to type your answers onto the sheet) and them to email me. I'd like to see your work and I will reply with the answers.

Optional work – see the details on SMHW for the link to the daily Science lesson on BBC Learn.

If you have any questions about this work please email Dr Ingham s.ingham@st-antonys.com or send a message through Show My Homework.

Fantastic Friday – Please email Mrs Wright (f.wright@st-antonys.com) by 12pm on a Friday if you'd like to share some of your best work of the week with her. She'd love to see it!
