|  |
|--|

### SYMPTOMS OF A SERIOUS ALLERGIC REACTION NEEDING EMERGENCY MEDICATION

SEE ANAPHYLAXIS/ALLERGY CARE PLAN

### EMERGENCY MEDICATION IN THE EVENT OF A SERIOUS ALLERGIC REACTION

Is an Epi Pen required in an event of allergic reaction? YES  NO

**It is important that school have a supply of 2 spare Epi Pens, which will be held in the school office with a list of staff trained to administer.**

It is the parent's responsibility to supply these Epi Pens and ensure that Epi Pens are kept in date.

**I have provided school with 2 spare Epi pens**

Does the student carry an Epi Pen with them? YES  NO

### OTHER MEDICATION NEEDED IN THE EVENT OF A SERIOUS ALLERGIC REACTION

**A separate permission form will be required for holding, dispensing or administering any emergency medication in school. It is the parent's responsibility to ensure all medication is in date. Medication must be clearly labelled with the student name and in the original container with the dose, instructions and expiry dates clearly stated.**
