

St. Antony's Catholic College

Aspire - Believe - Achieve

20th March 2020

Dear Parents/Carers,

I write for the final time this week, hoping that you and your families are well. St Antony's Catholic College is closed for the foreseeable future today for the vast majority of students. School is, however, open next week for our vulnerable children and the children of key workers who have indicated that your son/daughter falls into one of the categories and therefore will be attending next week.

The arrangements are as follows:

- Students to arrive by 8:50am via reception and gather for registration in the Hall. School will end at 3:15pm.
- Students must come dressed in full school uniform and bring their PE kit
- They will be provided with a free school lunch but choice will be limited. They are free to bring their own lunch and/or snacks with them.
- They are to bring the folders of work/books that were distributed earlier this week as well as normal school equipment.
- Normal attendance procedures apply. If your son/daughter will not be attending please contact us.

The Governing Body recently approved our new Mission Statement as shown below. Whilst our students remain with us in school during this incredible difficult time, we know that they will aim to be the best that they can be, letting the love and splendour of Christ shine from within them all.

My aim is to keep in regular contact with the St Antony's community through the website and Facebook. Please use the admin email address below if you have any queries. This will be checked at least daily through the working week as will the school voicemail. We may also communicate with this group of parents by text and email.

Take care of yourselves and each other.

With kind regards,

Mrs Wright – Headteacher

Bradfield Road, Urmston, Manchester, M41 9PD
