

St. Antony's Catholic College

Aspire - Believe - Achieve

17th March 2020

Dear Parents/Carers,

I do hope that you and your loved ones are in good health as you read this letter. It is a very challenging time and we will continue to work together as the St Antony's community in the coming weeks and months. We do not have any diagnosed cases of Covid-19 at St. Antony's currently and we thank you for your support and vigilance during this difficult time.

School remains open, however, we are preparing now for closing, if needed, in the first instance until Easter. Show My Homework will be the primary vehicle we will use to set work for students in Year 10. Students will also be able to communicate with staff about their learning using staff email accounts which all have the same format e.g. f.wright@st-antonys. As long as they know how to spell our surnames and know what our first names are, all will be well. If you or your child cannot access SMHW (or need any help with email addresses), please email stantonys.admin@trafford.gov.uk as soon as possible and we will try and support you with this. Students are not expected to do work during the normal planned Easter break.

My main vehicles for communication with you in the next few weeks will be Facebook and the school website. Please check regularly on these for information. You can see the latest official guidance through the following link: <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

Please be assured that every decision being made in school is being done so with the health and safety of your child in the forefront of our minds as well as provision for their education.

With kind regards,

Mrs Wright – Headteacher

Bradfield Road, Urmston, Manchester, M41 9PD
