

St. Antony's Catholic College

Aspire - Believe - Achieve

17th March 2020

Dear Parents/Carers,

I do hope that you and your loved ones are in good health as you read this letter. It is a very challenging time and we will continue to work together as the St Antony's community in the coming weeks and months. We do not have any diagnosed cases of Covid-19 at school currently and we thank you for your support and vigilance during this difficult time.

Students in Year 8 are being sent home tomorrow with a pack of work that, if needed, will last them up until the Easter break. If students are absent, packs will be available from reception. There is a project which includes activities for English, RE, History, Geography, French, Computer Science and Music. There are a selection of activities for Art and Technology and students are bringing their sketchbooks home so that they can complete this work. The PE department have included a booklet on Exercise, Health and Lifestyle. The Maths department will be using MathsWatch as the primary vehicle for their work (and instructions will be posted on SMHW) and the Science department have included a textbook for use with the instructions overleaf. All of the work provided in today's packs will also be posted on Show My Homework. If you or your child cannot access SMHW, please email stantonys.admin@trafford.gov.uk as soon as possible and we will try and support you with this. Students are not expected to do work during the normal planned Easter break.

My main vehicles for communication with you in the next few weeks will be Facebook and the school website. Please check regularly on these for information. You can see the latest official guidance through the following link: <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

Please be assured that every decision being made in school is being done so with the health and safety of your child in the forefront of our minds as well as provision for their education.

With kind regards,

Mrs Wright – Headteacher

Year 8

8S1/8S2/8T1/8T2

You have been provided with a textbook. You must return the textbook to school when you have finished with it.

Please study 8B (Going for gold: pages 21-34) and 8G (All that glitters: pages 91-104).

- Read the pages, answer the questions, take notes and draw the diagrams.

You also need to study the following pages from BBC bitesize:

- <https://www.bbc.co.uk/bitesize/topics/zvrrd2p>
- <https://www.bbc.co.uk/bitesize/topics/zstp34j>

Bradfield Road, Urmston, Manchester, M41 9PD
